

MOBILE. ROBUST. EASE OF USE.

The CALDER **MOBILE PUMP SYSTEM** can provide hydrostatic pressures of up to 30,000 psi (2068 bar) in a mobile and compact package with unsurpassed quality.

MOBILE

Hand truck base allows for easy transport.

Compact size allows for convenient storage and use in confined spaces.

Only shop air and water needed for functionality.

ROBUST

All parts are designed to work at maximum specified testing pressures which allows you to perform all your tests with confidence.

ISO 9001 certified ensures manufacturing to the highest quality standards.

CE certified for use in the European Union or any country where CE certification is required.

EASE OF USE

Intuitive control panel layout makes performing a test procedure efficient and easy on the operator.

Extensive operating manual contains easy to follow test procedures.

Quick-connect test pressure gauges can be easily removed to quickly calibrate or replace gauges.

CALDER VALVE INSTITUTE AND CARE PROGRAM

CALDER VALVE INSTITUTE

CALDER has been teaching the fundamentals and fine points of valve testing operation for as long as we've been inventing and building the systems. CALDER institute offers:

- Training Institutes in Portland OR, Houston TX, Manchester UK, Duren Germany, and Dubai UAE, among others
- Safety training
- Machine set up and operation
- Technical tips and tools to improve operational performance and efficiency
- Hands on training and valve testing skill development

Whether it's a regularly scheduled course at one of our CALDER Institutes, or a custom curriculum conducted at your facility, your valve test operators will benefit from courses developed by the most experienced and respected professionals in the business.

CALDER CARE PROGRAM

Preventative maintenance and service package includes:

- Parts Replacement Guarantee – All parts replaced for the term of the package
- Technical Assistance by Phone – A CALDER CARE Hotline for 24/7 US-based expert advice from repair professionals
- On-Site Preventive Maintenance – Yearly PM visit by a Certified CALDER Service Technician
- Extended Warranty Coverage – CALDER is the only company in our industry with a standard 2 year warranty and offering extended warranty programs out to 5 years!

Call CALDER for:

RENTALS

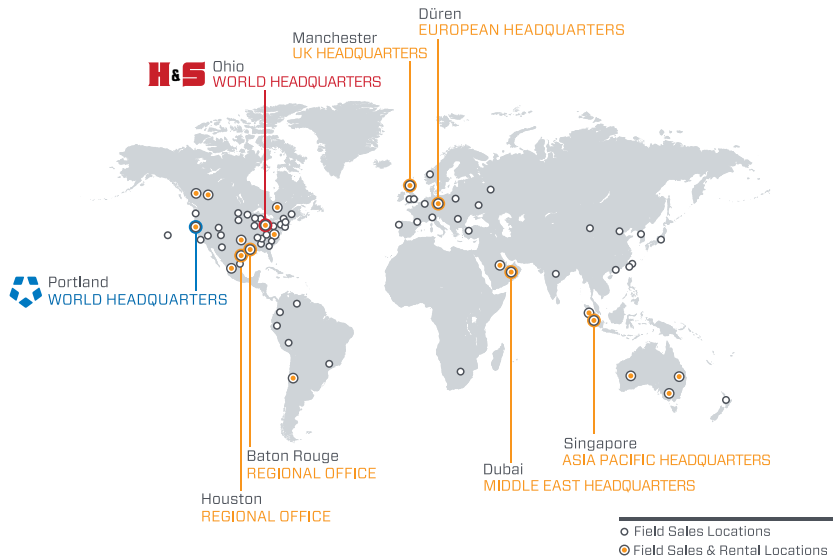

On selected models. With 20+ worldwide rental depot locations, you are never far away from a CALDER system.

ON-SITE TRAINING

If you need training or on-site consultation, we're famous for it!

CUSTOM PROJECTS

Custom turn-key system design services from the most experienced engineers and valve test experts in the business!
